## **SAGEBRUSH MARKETING REPORT**

We messaged a group of businesses that would be a good fit for the poker run associated with an upcoming car event in Newcastle. It is up to the individual companies to follow up with the event organizer and be included in the route.

The annual vacation directory has arrived, and distribution is underway. We are seeing a growing number of requests.

We're working on copy for two new buys: one targeting the Denver area and another Salt Lake City. The overarching goal is to entice the drive market to Devils Tower Country.

## **PO BOX**

Board members agreed to secure a post office box in Moorcroft, hoping it is more accessible for board members.

## **Video Work**

The second video from the new partnership with Ponderosa Hills Production LLC is live and again generating a strong response.
